

11 April 1977

NOTE FOR: NIO/LA

*Bob*

Dick Lehman met with Ambassador Little, Chairman of the Human Resources Committee, on Friday, April 8th. They agreed that a FOCUS study could be done on [redacted] in late April.

Dick tentatively agreed to have a FOCUS [redacted]

if you retain your strong reservations about doing a FOCUS

[redacted] would you please let Dick or me know. If you have any suggestions for other countries on which FOCUS studies might be done in your area, would you please let me know which; we need seven or eight more for the rest of the calendar year.
